

Northwood PARK

A distinctive new neighborhood in Brush Prairie, WA

A flowing curved staircase descends into the 2 story great room. Double doors lead into the den office off the entry foyer. Formal and casual dining areas, a spacious kitchen with a working island and a butler's pantry complete the main level. Upstairs are 4 bedrooms with a master suite with a spa tub and huge walk-in closet. Lots of quality hardwood flooring, granite and tile counters and stainless steel appliances will complement the home. A tandem 3 car garage tops it off.
