*A dramatic curving stairway graces the entry foyer, and the soaring ceiling over the formal living room greets you to this formal beauty. The family room is open to the island kitchen and casual nook and a formal dining room completes the living area. There are cozy fireplaces in both the living and family rooms. Double doors lead to the den from the entry foyer. The 4 bedrooms upstairs are highlighted by the master suite with sitting room and spa tub. The finishing touches will be hardwoods, granite and stonework from this award winning Parade of Homes craftsman.*
