

# Northwood PARK

*A distinctive new  
neighborhood in  
Brush Prairie, WA*

Wow! Architects Northwest has designed a winner with this corner lot beauty. The side entry 3 car garage does not detract from the exquisite styling of the wrap around front porch. This home has formal living and dining rooms and a den, as well as a 2 story family room and casual nook. The kitchen boasts a functional cooking island, ample cabinetry and counter space and a butler's pantry. Upstairs are 3 bedrooms and a bayed bonus room. The master bedroom is huge and has an oversized spa tub. Finish this one off with hardwood flooring, granite counters and stainless steel appliances and you can beam with pride of ownership.
