

Northwood PARK

A distinctive new neighborhood in Brush Prairie, WA

Both formal and informal living and dining areas, plus a den and an island kitchen make up the main floor area. A covered patio brings the outdoors into the family room and nook areas. 4 bedrooms and a big bonus room upstairs with the utility room complete this plan. The spacious master has a spa tub and shower. As with all our plans, this home will be finished with lots of hardwood flooring, granite and tile and stainless steel appliances. The 3 car garage tops it off!
